Newsletter No.45

An Invitation to all Trust Members

The Trustees invite all Members to visit the Lanchester Trust display stand at the NEC in Birmingham on Friday 8th, 9th and 10th November. Come over and meet the Trustees at any time during the three day event, at Stand 680 in Hall 2.

The centrepiece will be a 1907 Lanchester landaulet and it can't be missed; when its hood is raised the car is taller than anybody!

To reduce costs, the stand is being shared with the Lanchester Interactive Archive team from Coventry University, a worthy organisation which also seeks to promote the work of Lanchester.

We look forward to seeing you there.
With regards from the Trustees.
